

*Fall/Winter 2012*

# Welcome

It's our favorite time of year here at Scentsy. Fall and winter have always been wonderful for our Scentsy family — full of great activity and anticipation, and some of our most beloved scents have made their debut during this special season. We hope you find so much more to love this year, like our delicious *French Toast*; refreshing, woodsy *Iced Pine*; exotic, plummy *Dominica*; and amazing, bracing *Transcendence*.

If you're already a fan of our wickless candles, you'll find so much more to love in Layers™ by Scentsy. Layers has been incredibly popular with our customers and Consultants since its launch this spring, and for good reason! Layers lets you envelop your life in your favorite Scentsy fragrance, from your skin to your clothes — and now you can experience Layers in even more fragrances.

We're especially proud to introduce this season's Charitable Cause Warmer, *Champion*, which benefits Special Olympics — a worldwide organization that believes every human being has abilities and dignity.

Take a moment to enhance this truly spectacular time of year with your favorite Scentsy products. Wishing you the loveliest of autumns and the happiest of holidays,

*Heidi Orville*

## It Started With a Fragrance...

*Banana Nut Bread*, to be precise, melted in a decorative ceramic warmer by the heat of a single light bulb. It filled the Thompson home with the scent of ripe bananas, nuts, and spices, together with the stories and laughter that come with reminiscing.

Heidi and Orville Thompson knew they had something special; something that could bless the lives of others and bring value to the world — something worth an investment of their resources, their time, and their passion. What could they do but leap in wholeheartedly?

Today, eight years later, more than 200,000 passionate micro-entrepreneurs join the Thompsons in sharing the Scentsy experience and the Scentsy difference throughout the United States, Puerto Rico, Guam, Canada, and Europe. What began as a simple idea — with a delicious fragrance — has become a rewarding opportunity for all who choose to embrace it.

*NEW Porta*

*Porta* is a simply sophisticated swirl of elegant scrolls across a dark, glossy background.

Shown on page 27.

## A Simple System

Distinctive Scentsy warmers melt specially formulated wax with the heat of a low-watt light bulb, enhancing your home with more than 80 Scentsy fragrances safely, with no flame, smoke, or soot.

1 Plug it in.  
Turn it on.

2 Place one or more sections of a Scentsy Bar into the warmer dish.

3 Enjoy!

To change wax in your Full-Size and Mid-Size Scentsy Warmers, pour completely melted wax into its original packaging, then clean the dish with a paper towel. If the wax is still fragrant, store the used bar in a cool place until you're ready to reuse it.
